

NALACOMM

Open Perspectives. Achieved Goals.

Our goal is to provide innovative technical solutions that foster continuous process improvement, reduce overall cost and enhance the quality of our customers' outcomes. As such, our portfolio of capabilities draws upon our core strengths: operational management, solution design and delivery, modeling, analysis and strategy development. We focus on enterprise integration to ensure an optimal solution to meeting your information technology needs. For over two decades, our company has provided professional services to clients in both government and commercial markets by relying on the vast expertise of our many resources and professionals to get the job done right.

CERTIFICATIONS

U.S. Small Business Administration - 8(a) Program

Maryland Disadvantaged Business Enterprise (MDOT/MBE/DBE)

Pennsylvania Disadvantaged Business Enterprise (PA-SDB)

Virginia Disadvantaged Business Enterprise (VA-DBE)

Government purchasers can order goods and services from NALAComm on a sole-source basis with a contract ceiling of \$4 million; over 25 Federal agencies can contract directly with certified 8(a) firms.

DBE/MBE certification is accepted by most state and local governments in support of their minority business inclusion efforts. Partnerships can be used by contractors seeking to meet MBE/DBE contract goals.
